## JOB DESCRIPTION

### Overview

The Well Communities CIC (The Well) is a not-for-profit Community Interest Company, led by people in recovery from substance misuse. Working in partnership with Local Authorities to develop and deliver an innovative Behaviour Change Service to the Communities of Lancashire, Cumbria and Merseyside; The Well offers Floating Support Services for individuals housed as part of the Housing First model, Intensive Housing Management in Supported Accommodation for individuals with multiple and complex needs and a wealth of community-based services to benefit individuals, families

and the local community. We offer a range of high-quality wrap around services which are available 24 hours a day, 365 days a year.

Support available is provided by staff and trained volunteers with 'lived experience' of addiction. The team specialises in providing support to people who are considered 'high risk' with multiple and complex needs including those with substance misuse issues, mental health conditions, offending behaviour, childhood trauma, learning difficulties, domestic abuse and homelessness.

You will be someone who shares our belief in the inherent capacity and potential of people to bring about positive change; for themselves and the communities in which they live. We believe that everyone has the potential to grow, learn and achieve, whatever the barriers are that they have faced. We know it takes courage and hard work to change, which is why we have a commitment statement as well as a mission. Being committed means being:

- ∴ brave enough to say when something isn't good enough
- ∴ humble enough to accept and learn from constructive criticism
- ∴ willing to take responsibility for making things better
- ∴ creative and daring enough to innovate
- ∴ determined to persist when things get tough

The Well Communities CIC & Humankind are partners in Cumbria's new innovative Recovery Steps Cumbria Substance misuse service and this role is working within this new service, an expectation is to contribute to wider service delivery.

## Job Purpose

To support the wider HOPE team in the delivery of effective and immediate responses to minimise harm and reduce relapse whilst encouraging individuals to engage with a recovery plan covering all aspects of their life

The role includes robust case management in a fast-paced substance misuse service, delivery of psychosocial interventions, provide a live connection between local communities, asset based and wellbeing and treatment services.

As a lived experience colleague, you will inspire and provide hope to individuals engaging with the Recovery Steps Cumbria service.

You will have a specific remit to work with communities in an asset-based manner.

You will support those accessing and leaving treatment services to promote positive behaviour change.

You will influence individuals and communities to make healthier lifestyle choices, develop self-care and management skills and build an individual's recovery capital to become more resilient and self-sufficient.

## **General Requirements**
